We congratulate the firm on its long and successful career, and wish it a continuance of the prosperity that has attended it in the past.

At the Magistracy yesterday a woman named To Sau was committed for trial at the Criminal Court for unlawfully offering a bribe of \$15 to Mr. J. D. Mr. Beauchamp touched upon the work among the heathen at Fakhri, a work which was started in the year 1880. TELEGRAMS.

THE WAR.

THE RELIEF OF LADYSMITH.

A telegram has been received by the Hongkong and Shanghai Bank, dated London, 1 p.m., 14th December, to the effect that it was reported that Ladysmith had been relieved.

Reports were in circulation yesterday which implied this information, it being stated that the losses on both sides were heavy and that the conflict had gone on for ten days.

We have been unable to trace any other telegrams than that received by the bank, but others may have been received. No doubt seems to be entertained by those in the best position to form an opinion, as to the accuracy of the statement that Ladysmith had been relieved. The fact that Ladysmith had been relieved is a matter of fact, and it is a matter of fact that Ladysmith had been relieved.

The absence of press messages on the subject may be accounted for by the lines being occupied with official and private messages, which take precedence.
